

Town of Huron – Water District No. 5
Budget Modification

Whereas, the Town of Huron developed the budget for the Water District No. 5 project based on estimates for various project costs, and

Whereas, the original project was completed under budget and the Town received approval to utilize the available funding to construct a pump station on North Geneva Road; and

Whereas, it is necessary to install a three-phase electric service to the pump station; and

Whereas, RG&E has estimated the cost for the installation of the three-phase service to be \$5,153.37.

Be it resolved that the Town Board hereby authorizes the creation of a budget line under Direct Expenditures in the amount of \$5,153.37, with these funds to be drawn from the Contingency.
