Town of Huron Supervisor
10880 Lummisville Road
Wolcott, NY 14590

Dear, Mr. Phillip Eygnor

I would like to acknowledge the Highway Superintendent, Building Inspectors and staff supporting the Town of Huron Building Department. Over the past year I have had a wonderful experience while rebuilding my new cottage located on Sodus Bay in the Town of Huron. The flooding events of 2017 & 2019 were galvanizing moments for me and my family. We contacted the Town of Huron officials and made the decision to tear down the old cottage and rebuild a new cottage on safer ground located on my existing property. As you can imagine, there were many challenges that needed to be accomplished. The Building Inspector Roger Gallant and his staff have always made the process easy and worked hand in hand with any questions or concerns regarding my project. I also wanted to thank Gerritt Reyn the Superintendent of Highways for providing the much needed fill (ditch dirt) from ditching projects located in the town. This level of cooperation and understanding helped me to accomplish my goal of completing my new cottage home. Our cottage is now complete, I look forward to building a lasting legacy for my family and future generations to come.

Sincerely,

A handwritten signature in blue ink, appearing to read "John & Regina Kielich", with a large, sweeping horizontal flourish extending to the right.

John & Regina Kielich
